

### Lindale ISD Employee/Workplace Process Map for COVID-19

*To be considered exposed to COVID-19, you need to have prolonged close contact with a person who has the virus. Close contact includes living in the same household, caring for a sick person with the virus, being within 6 feet of a sick person with the virus for at least 15 continuous minutes without the use of a face covering, or being in direct contact with secretions from the sick person.*

**Scenario C** – Employee reports **someone at home has symptoms** OR **someone at home has tested positive**

Employee contacts supervisor.  
Supervisor contacts Administration  
for guidance when employee may  
return to work

Employee should contact their  
primary care physician, self-isolate  
for 14 days. Employee should  
monitor for symptoms and contact  
primary care physician if they  
develop. (May return sooner with  
negative test result and written  
medical clearance)
